NOTICE FOR FYBMS STUDENTS

As you all are aware, BMS Department conducted a preparedness test after you joined the BMS Program in SVKM's Usha Pravin Gandhi College of Arts, Science and Commerce for the academic year 2020-2021. Considering the results of that test and your academic performance in first Semester of the Academic Year 202-2021 held in January 2021, three groups of students have been identified.

Your responses to the questions in preparedness test is the major criteria for identifying these groups. Some of you, in your response, have stated that you prefer slow pace of learning and some of you have stated that fast pace of learning is the preference. Further, memorizing the information has been stated as a challenge by few. Considering all this, we have created three groups so that we can cater to these differences better.

Soon the activities for these groups will be identified ~~soon~~. It is not necessary that these activities are to be attended only by students in that group. Others can also attend. However, first preference will be given to the students in the group.
