-- NOTICE --

This is to bring to the notice of all the students and staff members of the institution that they are encouraged to use bicycles instead of any kind of motor vehicles, as this would help in reducing carbon emission. This decision is taken considering the objective of the college of creating a 'Green and Clean Campus'.

We hope that this will encourage everyone in adopting an environmentally conscious attitude.

An exclusive parking space has been created for bicycles at JRM ground that is several blocks away.

The cooperation of students and staff members is expected

Dr. A. Kapoor
Principal.
