Dear Ma'am,

It was indeed a great session. I am really happy and the smile that I have on my face today is unbeatable :)

Thank you so much for this lovely opportunity. It wouldn't have been possible without you.

@Mayur Vyas Thank you for this as well. I wanted to express gratitude for the session. Can you please help me with your LinkedIn profile? I am unable to find you there.

Having said that, please do let me know if you need my help in any way to address the students in the future around Marketing & Digital Marketing. I will be more than happy to take this up for you'll.

Again, I am really grateful for this opportunity.

Regards,
Aaditya Tibdewal

Dear Aaditya,

Thank you so much for taking time out from your schedule and addressing our students. The practical learning that you have imparted to them about your role as a solutions strategist at the marketing solutions agency Schbang has undoubtedly been enriching. The insights that you provided on agency side vs client side of working would help the students to make more informed career choices and also decide on what additional courses and certifications they need to undertake towards their chosen career path.

I wish you well in all your future endeavours and hope to organise more such sessions with you in the future.

Regards,

Sharyn Bangera
