A SEMINAR ON GREEN COMPUTING AND RENEWABLE ENERGY

31st March 2021.

Zoom Meetings.

The faculty member of SVKM's Usha Pravin Gandhi College of Arts, Science and Commerce had conducted a seminar certainly called as "A seminar on Green Computing and Renewable Energy" on 31st March 2021 at 9:30 am. It was an online seminar held on Zoom Meetings.

Dr. Dinesh Kala (Head of Dept. of Physics in Guru Nanak Khalsa College of Arts, Science and Commerce) was the speaker of the event. This was a one-day seminar, exclusively held for the first-year students majoring in Information Technology. In this seminar, topics like "What is Green Computing?", "Green Computing Practices", "What is a Renewable Energy?", etc. were covered. Prof. Prashant Chaudhary were the faculty in charge of the seminar. A great sense of cognition was incurred on students. At the end of the seminar, certificate of participation was handed to the students.

The speaker had a very precise knowledge on the aforementioned topic. Q&A session was held in order that the students are clear with the topic discussed. Overall, it was an interactive and very informative session planned by the Prof. Prashant Chaudhary.
